Information on product discontinuation

Dear Customers,

We would like to inform you of changes to our product range.
The product group of **EPIC® M12L-M12L cord sets** will be discontinued on 30 April 2026.
After this date, remaining stock may be sold off whilst stocks last.

In some cases, successor products from optimized and future-proof series are available.
These offer you the following advantages:

- Advanced product platform with long-term availability
- Partially improved technical characteristics and product structure
- Optimized standardization within the EPIC® portfolio

Link to the product list in the online shop.

All information can also be found on our website in the product notifications section:

www.lapp.com/en/de/products/product-notifications/e/090901

We will be happy to send you more detailed information and advise you personally. Please get in touch with your sales representative or contact the person at internal sales.

We are confident that we will continue to present you with an appealing range of products and will be happy to answer any questions you may have.

With kind regards

U.I. Lapp GmbH
