To all customers of the EPIC® SIGNAL M23 circular connectors

01.April 2026

**Product change EPIC® M23 connector – change in packaging**

We hereby inform you about a change within our EPIC® M23 connectors series. The change affects the following article numbers of the EPIC® M23 circular connectors.

EPIC® M23
381166481, 381166482, 381166483, 381166484, 381166485, 381166710, 381166711, 44420037, 44420113, 72044000, 72044010, 72044020, 72044030, 75009698, 75009702, 75009706, 75009710, 75009756, 75018413

The connector is no longer delivered pre-assembled. The individual parts are neatly separated and individually packaged. This simplifies assembly, as the end customer does not need to disassemble the connector to assemble the cable to connector All approvals, technical and mechanical properties remain unchanged, of course.

Thank you for your trust in our products; please do not hesitate to contact us if you have any questions.

Yours sincerely

Produktmanagement BU-EPIC
