Dear Customers,

Herewith we would like to inform you about changes in our product range.
The articles of the product **steel rope components for cable trolley system** will be discontinued on **01.10.2026** and are still available for regular order until **30.03.2027**.
After that, any remaining stock may be sold while supplies last.

As an alternative, we recommend the Cable Trolley System C30-Profile Rail, which offers the following advantages:

- More robust system with a wide range of mounting options
- Maximum cable load of up to 20 kg per cable trolley
- Maximum system length of up to 100 m
- Maximum travel speed of 80 m/min
