Information on product discontinuation

Dear Customers,

Herewith we would like to inform you about changes in our product range.
The articles of the product **EPIC® ZYLIN R2.5 8+1-pin** will be discontinued on **May 1, 2026**, and can still be ordered as usual until **May 1, 2026**.
After that, remaining quantities can be sold if stocks last.

As a successor product, the items from the **EPIC® SIGNAL M23** product range listed below are now available. These offer you the following advantages:

- With UL- certification
- With high quality FKM sealing material
- With integrated Vibration protection ring at base
- With integrated flange sealing at base
- With integrated EMC- cable gland
- Articles are in stock
