Product change EPIC® H-BS Inserts marking

Dear Sir or Madam,

We are writing to inform you of a change to the marking on our **EPIC® H-BS inserts**.

Effective immediately, the marking will be performed using a new laser marking system. The appearance will change slightly. The technical specifications and product characteristics remain unchanged.

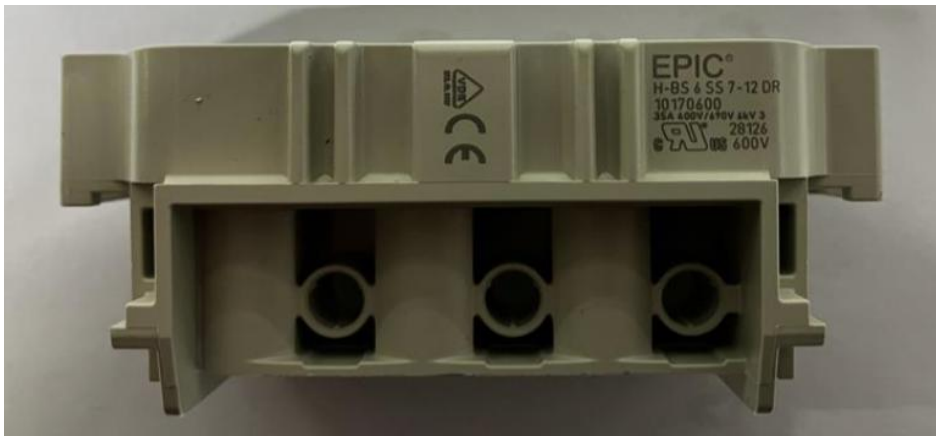
The version with numbering from 7 to 12 has also been updated.
On the cable connection side, the numbers 7–12 are laser-printed to ensure clear identification for assembly.
There is no labeling on the plug side. Instead, markings 1–6 are molded into the insulating body. In practice, these are rarely needed.
This applies to the following items:

10170600 EPIC H-BS 6 SS 7 – 12
10171600 EPIC H-BS 6 BS 7 – 12



10170600 EPIC H-BS 6 SS 7 – 12 marking
(Samples without contacts and without PE)

10170600 EPIC H-BS 6 SS 7 – 12 cable connection side
(Samples without contacts and without PE)
