

Returning LAPP Drums and Packaging

Collection conditions of U.I. Lapp GmbH

U.I. Lapp GmbH offers free, nationwide disposal and collection of drums and packaging within the scope of the Packaging Act. This document describes the terms and conditions for the return and collection of drums and packaging from U.I. Lapp GmbH (hereinafter referred to as LAPP). Please read the following information carefully.

GENERAL RETURN CONDITIONS

Please provide a **loading aid** (e.g. forklift truck) at the collection point. If this is not possible, the additional costs incurred for pick-up trucks or crane vehicles will be payable.

A **contact person must be present on site** (incl. telephone number) for the collection.

Ensure your enquiry arrives with us min. **12 working days** before the desired collection.

RETURN CONDITIONS FOR DRUMS

LAPP drums are available to you free-of-charge without any time restriction. These drums should be handled with care from the point of view of the environment and sustainability. The minimum number to be returned depends on the size of the drum:

Drum Flange	Minimum Number
≤120 cm	30 pieces or 300 kg
>140 cm	4 pieces

To ensure an efficient procedure, please place the drums so they are gathered together and free of cable or film remnants.

RETURN CONDITIONS FOR PACKAGING

As well as drums, other packaging from LAPP may also be returned. A container may also be provided for collection for a short period. In case of interest or for further information, please do not hesitate to contact us.

Please note that, in the event of incorrect registration data or the return of drums/packaging items that do not belong to LAPP, any additional costs incurred may be payable on your part. We reserve the right to invoice costs for transport, disposal, and additional administrative/operational expenses.

If you would like us to collect your order earlier than the specified 12-day deadline, please send us a time proposal. Any costs incurred for express collection shall be borne by the customer.

Please do not send back the drums on your own initiative. We cannot accept costs for this or guarantee their acceptance at our logistics centers.

OUR SERVICE TEAM

If you have any questions, our logistics team is available at Leertrommel.de.UIL@Lapp.com.
