Ty-Rap® Railway Cable ties – Tested according to EN 45545-2

Please note that Thomas & Betts European Centre hereby confirms that our Ty-Rap® Railway cable ties have been tested according to the European Railway standard EN 45545-2.

Test results of these lead to the following interpretation :

TY-xxx-MX-RW (see T&B Cat nrs) : HL2 for R22 and R23 requirements.

TY-xxx-MFR-RW (see T&B Cat nrs) : HL3 for R22 and R23 requirements.
