

Product discontinuation

ÖLFLEX® SF

Dear customers,
honored business partners,

we would like to inform you about a product discontinuation in our LAPP portfolio.

The super flexible **ÖLFLEX® SF** handheld electrical device cable will be discontinued on 31.12.2024. The last possible order date is 31.12.2024. Existing orders will be delivered. Our **H05BQ-F/H07BQ-F** power cord is now available as an alternative product. The product is harmonized, has an orange outer sheath, has conductor stranding class 5 and can be ordered with a nominal voltage of 300/500V and 450/750V. Please find a list of articles in the table separate.
