

61710040	DATA SHEET
Valid from: 05.05.2025	QUICK TIE cable ties

The QUICK TIE cable ties made of high-quality polyethylene have a special fastener which, in combination with a round profile, guarantees maximum strength and absolute fastening security and can be opened again at any time. With a double fastener, the QUICK TIE cable tie can also be used to form a hanging loop in addition to its fastening effect.

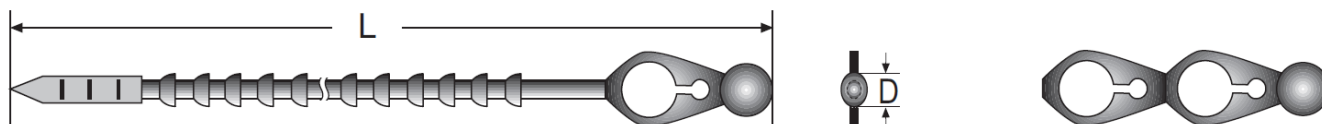

Material: Polyethylene

Technical features:

Belt width 3,5 to 6,6 mm
Tensile strength 130 up to 370N

Temperature range: -40°C up to +70°C

Colour: Red
Black

Measurement chart

Article no.	Colour	Dimensions mm		Tensile strength N
		D	L	
61710040	Red	3,5	120	130
61710041	Red	3,9	240	180
61710042	Red	4,4	320	230
61710180	Red	5,7	500	250
61710043	Red	6,6	665	370
61721101	Black	3,5	120	130
61721102	Black	3,9	240	180
61721103	Black	4,4	320	230
61710190	Black	5,7	500	250
61721104	Black	6,6	665	370
