

# **FLEXIMARK®**

**LAPP GROUP**

A stack of approximately ten metal identification tags, likely made of stainless steel, are fanned out from the top left towards the bottom right. Each tag has a rectangular shape with rounded ends and a small circular hole at one end. The tags are engraved with the text "CC-1" followed by a small number, with the numbers increasing from 1 to 10. A black wire hanger is attached to the top of the stack, looping around the top tag and extending to the right. The background is a plain, light gray.
